Tuesday, Sep 26th 2023								
			Hours	Paid Time Off	8/0	8.000	8.000	
						82.250	60.500	21.750

Location-based time and allocations are converted to pay and overtime by way of visual workflows. Your pay policies are represented by a flow diagram--a picture which transparently houses and executes the logic.

Pay Policy Rules

Visual workflows handle all business logic and pay rules

Global Payroll

After executing all rules and policies, computed pay hours, premiums, pieces and related info are sent to payroll
